

From Sharon, related to Item 7:

At the last WRAC LUPC meeting, the following motion was approved for submission to WRAC Leadership:

*The WRAC wishes to express deep concerns regarding the Chief Legislative Analyst report 14-05-0361, dated May 13, 2014, relative to various recommendations relating to the City's Street Vending Policy. WRAC believes the following issues must be resolved before any ordinance moves forward:*

*Overlapping regulatory responsibility and possible gaps in enforcement requirements*

*Liability*

*Trash*

*Locations and /or zones where permitted*

*Resources for permit compliance given the mobility aspects of these carts*

*Allocation of scarce sidewalk space-other uses must be permitted to use the public right of way*

*ADA compliance/obstruction of the public right of way*

*noise, odors, hours of operation*

*Sanitary conditions for food vendors-restrooms; hot water, etc.*

*Impacts upon brick and mortar stores and JOBS—BIDs have to pay for services, and sidewalk vendors pay nothing. Sales Taxes are not necessarily collected*
