Dear Mr. Trutanich and Mr. Jordan:

The Westside Regional Alliance of Councils (WRAC) is a regional coalition of 13 member neighborhood and community councils from Council Districts 5 and 11 (the Westside of Los Angeles). In 2010, WRAC unanimously passed a motion calling for comprehensive revision of the City's cell tower regulations.

In June 2011, the City Attorney issued its report to the Public Works and Planning and Land Use Management Committees (the Committees) recommending revision of the Above Ground Facilities (AGF) Ordinance, which regulates facilities in the public right of way. In July 2011, the Committees approved the City Attorney's report and jointly directed your office to draft revisions to the AGF Ordinance within 60 days. Since the end of the year is now approaching, we would request an update on the status of this matter at your earliest opportunity.

Thank you for your cooperation.

Sincerely,

Mike Newhouse  
Chair
