Office of the Los Angeles City Attorney  
Capri Maddox, Special Assistant to the City Attorney  
Edward Jordan, Assistant City Attorney

Re: Council File No. 09-2645; revision of the Above Ground Facilities (AGF) Ordinance

Dear Ms. Maddox and Mr. Jordan:

The Westside Regional Alliance of Councils (WRAC) is a coalition of 13 member neighborhood and community councils from the Westside of Los Angeles. In 2010, WRAC members voted unanimously to support revision of the City's regulations in regard to cell towers; we support revision of the AGF ordinance as directed by the City Council on September 11, 2012.

As you know, in June 2013 the City Attorney submitted to the Council its report and revisions to the AGF ordinance. In October 2013, the Council PLUM committee directed the City Attorney to draft a limited number of additional revisions and to submit the revised AGF ordinance to the full Council. WRAC is eagerly awaiting these revisions.

We urge the City Attorney's office to complete the directed revisions as soon as possible.

Thank you for your consideration.

Very truly yours,

Michael R. Newhouse, Chair  
Westside Regional Alliance of Councils WRAC
