

Modified Version of WRAC Motion re Schools Reopening
by Westside NC (passed 1-14-21)

Whereas the health of all students, staff and teachers must be protected, the federal government and State of California must provide school districts with the resources needed for the safe reopening of schools and to contain outbreaks (should they occur) including the prioritization of school staff and teachers in vaccine distribution;

Therefore, the Westside Neighborhood Council supports prioritizing resources and funding for a safe reopening of elementary schools and special-needs classes ahead of other services that are currently allowed to be open.
