

Westwood Neighborhood Council Motion (support for WRAC motion/modified)

The Westside Regional Alliance of Councils calls for additional funding and resources, from all available sources, in order to implement more Safe Parking Programs and to support existing, reputable safe parking programs, including those operated by organizations such as Safe Parking LA, throughout the Westside of Los Angeles.

WWNC does not support the increase of any parking meter rates to be used as funding. The money is to come from identified homeless funds.
