Re: BCC Board Positions on Pending WRAC Motions as of 6/9/2021

Dear Chris:

The BCC Board voted upon or tabled the following Motions at their June 9, 2021 meeting. Tabled motions have no estimated date of re-consideration at this time and may not be voted upon before the WRAC August 2021 deadline.

Many thanks for your leadership,

*Michelle Bisnoff*

1. Motion Passed – Greater Use of 5150 Holds and Conservatorships
2. Motion Passed – Request for City Attorney Opinion on Developer Financial Interests on Entitlements
3. Motion Passed – Zoning Clarity on Ghost Kitchens
4. Motion Tabled – Incentives to Work from Home
5. Motion Passed with Amendment: Signage & Enforcement of EV Charging Stations

Amendment for WRAC Motion on EV Charging Stations:

***“The BCC fully supports the spirit of the WRAC Motion seeking “improved” signage and enforcement surrounding EV charging stations. However, the Motion lacks clarity on significant details surrounding these issues, which creates a hurdle to full support at this time. However, the BCC fully supports a study of these issues and an opportunity for public comment on signage changes and fines.”***
