**RE: STCP at UCLA Campus**

Dear Metro Board Members:

On September 22, 2021, the Mar Vista Community Council unanimously approved and adopted the Westside Regional Alliance of Councils (WRAC) motion to extend the Sepulveda Transit Corridor Project (STCP) to the UCLA campus provided:

*that such extension is supported with funding to support upkeep, maintenance, sanitation, bathrooms, and safety and such additional funding and support for auxiliary transportation including but not limited to sufficient parking, access to parking (e.g., egress and ingress roads, spurs, traffic lights), and public transportation links to other mass transport services in LA.*

Thank you for your thoughtful consideration of the matter,

Mar Vista Community Council
