**Regulation of Vehicle Dwelling**

Motions in support of Council File 14-1057-S9 have been taken up and passed to date by three WRAC member councils: Pacific Palisades CC, Mar Vista CC and Venice NC.

In brief, the proposed resolution calls for amendments to LAMC Sec. 85.02, regulating vehicle dwelling in Los Angeles, which would (1) prohibit vehicle dwelling in all residential areas; (2) allow such dwelling in certain designated areas of the City under a free-permitting system; and (3) connect those living in vehicles in designated areas to services and input them into the LA County Coordinated Entry System for available housing and supportive services.
