**a Motion (WRAC MTC) -** \_\_\_ NC/CC supports the following position in regards to the recent adoption of Ordinance 187427 regarding speed limit reductions:

**i** \_\_\_ NC/CC supports the action taken by the LA City Council on March 7, 2022 in passing Council File 21-1223 regarding Speed Limit Reductions.

**ii** \_\_\_ NC/CC has reviewed the streets on the Westside slated for speed limit reductions at their March 16, 2022 meeting and supports the efforts to reduce the speed limit by 5 MPH on streets that were recently identified for 5 MPH speed limit increases. (See the attached Ordinance number 187427 with the complete list of streets effected.)

**iii** Moving forward, it is the suggestion of \_\_\_ NC/CC that future speed limit reductions be discussed and planned as neighborhood or regional traffic improvements rather than individual street improvements. These improvements should be coupled with measures to minimize vehicle traffic being redirected onto adjacent neighborhood streets. For example, we would like to see LADOT incorporate traffic calming measures and active transportation elements. Traffic calming measures might include compact traffic circles/mini roundabouts, restricted turns, curb extensions/bulb-outs, speed humps and tables, and diagonal diverters, half closures, full closures, and median barriers to reduce cut-through traffic.

**iv** In addition, the \_\_\_ NC/CC requests that the Council Offices engage the local Westside Councils in ongoing discussions about what additional streets should be considered for speed limit reductions as well as establish a method whereby Council and stakeholder feedback on this issue can be submitted directly to LADOT.

**b Motion (WRAC MTC) -** \_\_\_ NC/CC supports CF 22-0002-S58, which in turn supports AB 2336 which allows the City of Los Angeles to create a pilot automated speed enforcement program which includes fine alternatives for low income drivers and privacy data protections.

**c Motion (Mover TBD) -** \_\_\_ NC/CC supports the motion in Council File 20-1376-S3 (Buscaino) for an ordinance amending LAMC Sections 41.18 and 56.01 to prohibit sitting, lying, sleeping, and storing personal property in or upon any street, sidewalk or other public-right-of-way within 500 ft. of a library.
