CIS Council File 18-0510-S2, Renewal of Lease on Bridge Housing

Description:

Committee: Homelessness Committee **On:** 2022-06-28 **Vote:** 4-1-0

There are instances of residents of bridge housing also maintaining tents and encampments on nearby streets and there is no containment of these dual residences.

Comprehensive clean ups have stopped on Hampton near the facility. Encampments still exist in what was designated as the SecZ area.

There was no opportunity given for area residents to discuss rules that might be
