7. **New Business**
  - a. **Motion (Carolyn Jordan/BCC)** - \_\_\_\_\_ NC/CC calls on the members of the Los Angeles City Council to introduce a motion in Council forthwith, directing the City Attorney and Planning Department to prepare for adoption by the City Council an ordinance amending the Los Angeles

Municipal Code to provide that a conditional use permit - cannabis (CUC) is required in connection with any commercial cannabis storefront retailer doing business in Los Angeles.

\_\_\_\_\_ NC/CC further requests that the required CUC process resemble the existing conditional use permit – beverage process (not the streamlined over-the-counter process for certain restaurants under the "Restaurant Beverage Program"), to ensure that there is an open and transparent process that affords the opportunity for prior public comment, requires a public hearing that involves the expertise of the Planning Department and would allow for the input and expertise of the Police Department, prior to authorizing such use at any given location.

\_\_\_\_\_ NC/CC takes no position on the use of cannabis as permitted under California law.

- b. **Motion (WRAC MTC)** - The \_\_\_\_\_ CC/NC, a member of the Westside Regional Alliance of Councils, is concerned that removing one vehicle lane in each direction on Venice Blvd. between Inglewood Blvd and National Blvd. will divert traffic onto other adjacent local, collector and arterial streets. Until such time as LADOT conducts modeling studies to predict the volume of vehicular traffic that will be diverted off Venice Blvd. when the road diet component of this project is installed, our Council will be withholding its support for Phase One of the Venice Blvd Mobility Improvements project.

The member Councils directly affected by this project are: Venice, Mar Vista, Palms and South Robertson.

The member Councils which may be affected by redirected traffic include: Del Rey, WLA/Sawtelle and Westside.
