

WRAC-recommended Motion – June 13, 2024
Opposition to Congestion Pricing

Modified version passed by PPCC:

“Pacific Palisades Community Council, a member of the Westside Regional Alliance of Councils (WRAC), strongly opposes the implementation of any congestion pricing proposal in Los Angeles, including Metro’s Congestion Pricing pilot (aka the Metro Traffic Reductions Study (TRS) project), without first having robust transit options implemented by Caltrans and/or local agencies, that have undergone environmental review and are completed and in place.”
