Re: CF 24-0140-S1 - Motion of Support

The Brentwood Community Council (“BCC”) is the broadest-based Brentwood community organization, representing approximately 35,000 stakeholders of the 90049 community. BCC includes 13 homeowner and resident associations, multi-family residential dwellers, business organizations, schools, religious groups, volunteer service groups, public safety and environmental organizations.

The BCC supports CF 24-0140-S1 and the City Council obtaining feedback and advice regarding the impacts of the Grants Pass case, including the ability of the City to protect public sensitive use areas. The BCC has never supported “criminalizing homelessness,” and believes that our City is obligated to strike a balance so that our children may go to school, our residents may use our parks and libraries, and those with disabilities are able to navigate our sidewalks without obstructions or having to dangerously enter the street. This report back request is a critical initial step for our City Council to take in order to understand the full ramifications of the Grants Pass case.
